

Throughout the years, we have established a long history of positive working relationships with public agencies on the Local, City, County, and State levels.

Likewise, we are pleased to have earned the loyalty of numerous clients in the private sector.

We maintain a highly qualified technical staff and use the latest engineering technology in order to provide the best service to our clients.

CLIENT-CENTERED SOLUTIONS”**

OUR MISSION

The mission of Whitaker Contractors, Inc. is to generate profit by being a people oriented, innovative team committed to delivering a quality product in a safe, timely and ethical manner.

EXPERIENCE

Whitaker has been featured in numerous trade magazines. The company designed an innovative floating technique used to install a 350-ton steel pipeline into a mile-long tunnel; the worlds largest fuse-gate dam project; and various other challenging projects. Whitaker Construction continues to seek unique and difficult projects that challenge the skill and creativity of their highly trained staff.

PEOPLE

Whitaker's people are the reason for the success of the company. Our reputation attracts the highest quality personnel, who are hard working and committed to producing projects that set a standard for excellence. Integrity, innovation and sophistication in constructing a quality project have earned the company high respect throughout the construction industry.

OUR COMMITMENT

QUALITY: Whitaker Contractors Inc. will produce a quality product of which both parties can be proud.

SAFETY: Whitaker Contractors Inc. will promote safety before production and foster a safe work environment.

JUDGMENT: Whitaker Contractors Inc. will exercise good judgment when dealing with the owner, other agencies and members of the public.

SCHEDULE: Whitaker Contractors Inc. will supply adequate resources and adopt a "can do" attitude in order to meet any reasonable schedule.

FAIR DEALING: Whitaker Contractors Inc. will deal with the client in a fair and forthright manner. Whitaker Contractors Inc. will not exploit changes, errors or omissions and will endeavor to comply with the intent of the clients contract

PLEASANT WORK ATMOSPHERE:

Whitaker Contractors Inc. will treat all parties with respect and seek to create an atmosphere where everyone enjoys going to work.
